

Global Compliance and Reporting Solutions (GCRS)

International Coordination Service for your business activities managed from France with the assistance of Grant Thornton International's team.

Companies growing at a global level face numerous and time consuming challenges. **From a practical point of view this often includes the management of complex tax, accounting, legal and social issues in those countries where companies are developing.**

The International Business Advisory Services (IBAS) department of Grant Thornton offers the **Global Compliance and Reporting Solutions (GCRS) in order to assist companies that are developing at an international level.** We can assure a follow up of all matters relating to compliance, and our experts will be your sole point of contact during the management of your complex projects. **A standardised and secured approach to the project will be put in place via a global and innovative platform.**

Our solutions

- ✓ **The realisation of an international compliance diagnosis**, identifying and mapping out the local regulatory obligations that are applicable to your company.
- ✓ **Access to all centralised data via a personalised platform** - with the goal of obtaining an overall view of the process in real time.

impulse

- ✓ The setting up of a **regulatory framework** in order to **anticipate** any future **requirements** or obligations.
- ✓ The **assurance** of **outstanding quality** of deliverables.
- ✓ **A totally controlled management** of a project through the provision of concrete KPIs and reports.

Our added value

- ✓ **An available and international team:**
Our team is composed of proactive professionals with technical knowledge obtained throughout the world.
- ✓ **An outstanding quality of service:**
8.8/10 based on the 2021* index of the client satisfaction survey.
- ✓ **Exceptionally proactive:**
Our professionals are fully involved and committed to the success of your projects.
- ✓ **A truly global network:**
Access to our structured and diversified international network.
- ✓ **A strategic implantation in Europe:**
IBAS is situated in Paris, at the very heart of Europe.

* Results of our client satisfaction survey launched in France in 2021.

Client testimony

Booking.com
