Arnaldo Hasenclever
Managing Partner

“We are the perfect partners for organisations that are ambitious and want to grow, that are going through change and that need our advice and support, because we too share the characteristics of ambition and dynamism. With our international reach, depth, expertise, personal attention, value for money and relationship approach, we are becoming the leading service provider for growth based organisations.”

Arnaldo Hasenclever

Who we are

Grant Thornton Argentina has over 50 years' experience in the Argentinean market. Our firm combines the resources of our international network with vast experience and knowledge of the local market. This enables us to provide concrete solutions to the needs of companies or organisations and to their owners or managers.

Where we are

We have two offices in Buenos Aires, as well as strategic associations in Rosario, Córdoba, Mendoza and Río Negro.

Why Grant Thornton

Combining the resources of our international organisation with our wide knowledge of the local market, high professional quality and personalized attention, every day we make a difference and help our clients unlock their potential for growth.

How we work

Our pledge is simple; to provide our clients with the best service through a dedicated and experienced team of professionals. We are recognised for combining top technical and professional qualities with a proactive, prompt, responsible and personalised service.

What we do

We offer tangible solutions to our clients through a wide variety of services.
