Who we are

Grant Thornton has been in Cambodia since 2004. A recent re-organisation which involved Grant Thornton Malaysia helped our firm to expand the service lines we offer to meet the increasing demand for quality audit and advisory services of local business and international investors in Cambodia. The firm maintains a full service office in Phnom Penh.

Grant Thornton Cambodia is proud to be one of the six audit firms in Cambodia which has been granted audit license by the Securities and Exchange Commission of Cambodia to audit listed companies. We are also one of the seven audit firms in Cambodia accredited with a bank audit license by the National Bank of Cambodia. In addition, we have been accredited by ACCA as ACCA approved employer.

Where we are

Our office is in the capital, Phnom Penh.

How we work

We act as independent auditors, provide tax advice, act as advisors on transaction and offer outsourcing solutions. We meet our clients' objectives through practical solutions, based on our practice values of integrity, reliability and personal attention.

Our approach to assurance services is focused on enhancing the value of audit services to businesses, ensuring the integrity of financial information and helping to reduce compliance costs. Clients benefit from our proprietary audit software to deliver a cost-effective, risk-based, paperless audit.

Grant Thornton Cambodia also helps clients achieve their objectives by developing effective plans and strategies with options such as mergers and acquisitions, equitisation, expansion, new investment, financial restructuring, turnaround and divestiture.

We also provide comprehensive outsourcing services which cater to the needs of entities establishing presence in the country.

What we do

We provide a range of services including:

Assurance

- a high quality level of service around the world enabling member firms to provide advice about the business operations of your company
- a partner-led service where experienced professionals are involved in all stages
- advanced auditing techniques tailored to the way you do business - whatever the size of your company and wherever you operate
- focus on understanding the important transaction cycles affecting your business
- internal financial controls assessment resulting in practical advice on how they can be strengthened.

Tax

- tax compliance work
- dealing with the tax authorities
- information update service
- offshore solutions and international tax planning
- tax advice for our corporate Clients
- tax due diligence
- tax effective salary packages for expatriate and local personnel
- tax planning for inward investment
- tax seminars and training
- transfer pricing.

Advisory Services

- business risk advice
- business valuation
- equitisation consulting
- lead advisory
- listing preparation
- project finance
- transaction support.

Our committed tax professionals can maximise your earnings by combining a comprehensive knowledge of tax regulations and the capacity to plan to reduce your taxes. We help corporate clients structure their investments in Cambodia and assist those operating internationally in capitalising on the lowest effective tax rates across multiple jurisdictions.

Other services

Outsourcing

- bookkeeping/financial accounting
- payroll
- data entry
- monthly financial report
- monthly consulting.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
