Who we are

Grant Thornton Norway is a firm of State Authorised Public Accountants founded in 1987. We have five partners and are a competitive provider of auditing and assurance services in Norway, serving a variety of clients.

Where we are

We have offices in Oslo and Trondheim.

How we work

Our firm has around 50 employees, half of whom are qualified accountants with various professional and educational backgrounds that provide depth and quality in their approach to any assignment.

All of our employees are kept up to date with current developments through a programme of internal and external seminars and training programmes.

In Norway we have around 1,000 companies listed on our client base, both international and domestic middle sized companies, to whom we offer comprehensive auditing, advisory, tax, outsourcing and related services.

Why Grant Thornton

Our clients benefit of our broad knowledge from multiple service lines offered by experienced personnel.

What we do

We offer a wide range of services including:

Assurance

The majority of work carried out is auditing, according to Norwegian auditing standards, which are translations of the ISA standards. Our clients vary from one-man companies to listed corporations. We also provide services to ensure corporate compliance. All services are tailored to meet the specific needs of our clients.

Outsourcing

We perform full range of outsourcing services, i.e. full scale bookkeeping, payroll, VAT- compliance and VAT representative.

Tax

We perform all necessary tax services for our clients, including national and international tax planning, VAT matters and personal taxation.

Advisory services

- business risk services
- forensic investigation services
- mergers & acquisitions
- transaction advisory services including due diligence valuations.

Our global organisation

Grant Thornton is one of the world's leading organisations of independent assurance, tax and advisory firms. These firms help dynamic organisations unlock their potential for growth by providing meaningful, actionable advice. Proactive teams, led by approachable partners in these firms, use insights, experience and instinct to understand complex issues for privately owned, publicly listed and public sector clients and help them to find solutions. More than 42,000 Grant Thornton people, across over 130 countries, are focused on making a difference to clients, colleagues and the communities in which we live and work.
